Rejuvenate

WITH

OXYGENEO DEEP CLEANING FACIAL

Treatment

OxyGeneo 3 in 1 facial

(Oxygen Microdermal Abrasion) which is an innovative skin renewing treatment that delivers 3 essential treatments simultaneously by exfoliating the outer layer of skin, infusing essential revitalizing nutrients and oxygenating the skin generated from within. It will improve a pebbled appearance, improve fine lines, whiten brown spots, improve texture, and brighten and rejuvenate your skin.
